

# USAID: Accelerating Inclusive Development through Private Sector Engagement in India

Transforming common values into the common good

By partnering with the Government of India, USAID engages the private sector and civil society as a powerful force for lifting lives, strengthening communities and accelerating sustainable development.

## ENVIRONMENT

- **Green Bonds – \$28+ BILLION** in long-term green projects financed across India (2014–2020)
- **Social Enterprises (Millennium Alliance) – 150,000+ jobs and 7+ MILLION lives** benefitted worldwide
- **Partial Credit Guarantees – \$540+ MILLION** in debt financing mobilized

**\$1.2+  
BILLION**

in Current Private Sector Investment in USAID's Program in India

## COMMON VALUES FOR PRIVATE SECTOR ENGAGEMENT

- Identification of need
- Commitment to engagement
- Harness private sector expertise and innovation
- Secure private sector resources
- Strengthen the enabling environment to foster success

## HEALTH
